# Handbook of Satellite Services in Europe

## Up to date information on European satellite communications

The Handbook of Satellite Services in Europe is the only authoritative and up to date source of information on satellite services available today covering Western Europe, Eastern Europe and Scandinavia.

The Handbook provides detailed information on satellite services and regulatory requirements over a geographical area from Norway in the north to Malta in the south, and from Iceland in the west to the Urals in the east. Data is provided on more than 40 countries.

Published and updated continuously since 1992, the Handbook of Satellite Services in Europe is the essential guide for those involved in European satellite communications. It is widely read by satellite operators, service providers, regulators, standardisation organisations, government departments, equipment manufacturers, research organisations, broadcasters and consultants as well as existing and future users of satellite communications throughout the world.

All subscribers to the Handbook receive a subscription to the online version of the Handbook, a copy of the Handbook on CD-ROM, and the next three copies of the Handbook on CD-ROM when they are published.

## Prices:

Fees for a 12 month subscription for 26 - 50 users are as follows:

**Price:**                **£1710.00/€1925.00/US\$2565.00**

**VAT\*:**                **£299.25/€336.88/US\$448.88**

\* if applicable – see note below

Your subscription to the Handbook online lasts for a period of 12 months from the date of issue. There is no time restriction on the use of the CD-ROM.

## VAT:

The above prices do not include Value Added Tax (VAT). VAT is payable at a rate of 17.5% by all customers in the UK. VAT is payable at a rate of 17.5% by all customers in the EU who do not supply a valid VAT registration number at the time of their order. No VAT is payable by other customers.

# Information

## How To Subscribe:

To subscribe, all you need to do is complete the subscription form and return it to us by fax (+44 1667 459319) or by email (info@microcomsystems.co.uk). We will respond by sending you an invoice and details of how you can make payment.

## Payment Methods:

We can currently accept payment by credit card (Mastercard or Visa) in pounds sterling.

We can accept payment by cheque and bank transfer in any major currency. If you would like to make payment in a currency other than pounds sterling, euros or US dollars, please let us know and we will quote you a price.

We also accept payments through Google Checkout.

## Registration:

Once we have received your payment we will send you passwords for all of the users you would like to have registered (the number of users depends on the type of subscription you have purchased). We do not have a separate registration procedure.

## CD-ROM:

Also, when we receive your payment, we will send you a copy of the current issue of the Handbook on CD-ROM. We will then send you the next three issues of the Handbook on CD-ROM when they are published. There is no time limit on your use of the Handbook on CD-ROM.

## Renewals:

When your subscription period is coming to an end, we will send you a reminder so you can continue your subscription if you wish.

Please note that we do not use recurrent billing and so you will not be billed automatically once your subscription has expired. You must confirm that you want to renew your subscription before you are billed.

## Your Guarantee:

We are sure you will be delighted with the Handbook of Satellite Services in Europe. However, if you are not satisfied, for any reason, let us know within 30 days and your money will be refunded in full. No quibbling. No arguments. No delays.
